SUPPORT OF BRIAN DAVID HILL'S "MOTION UNDER 28 USC § 2255

**DECLARATION, ATTACHED EVIDENCE EXHIBIT IN SUPPORT OF
BRIAN DAVID HILL'S § 2255 MOTION**

I, Brian David Hill, declare pursuant to Title 28 U.S.C. § 1746 and subject to the penalties of perjury, that the following is true and correct:

1. I am Brian David Hill, also known as Brian D. Hill, and am the Defendant in the Federal criminal case: United States of America v. Brian David Hill, Criminal Case No. 1:13-cr-435-1, in the United States District Court for the Middle District of North Carolina. I am the 2255 motion Petitioner under Civil Action No. 1:17-cv-01036. I write this Declaration with attached Evidence Exhibits in this NON-SEALED version proving that Defendant Brian D. Hill had conducted the Nullify-NDAA petition in 2012 prior to being accused of possession of child pornography.
2. I am Brian David Hill, also known as Brian D. Hill, and am the Plaintiff in the Federal civil case: Brian David Hill v. Executive Office for United States Attorneys et al., Civil

Case No. 4:17-cv-00027. I tie my civil case with my criminal case as interlinked with my 2255 motion as the civil case has over 400+ pages of filing which include newly discovered evidence in 2017 that could not have been discovered before my sentencing. I file this Declaration type of Affidavit with the Court with original signature as a sign of good faith and demonstrating factual evidence showing good cause for such action. I am INNOCENT of the charge in case: United States of America v. Brian David Hill, Case # 1:13-cr-435-1, and in the U.S. District Court for the Middle District of North Carolina. Since my release from imprisonment, I have been trying to prove my innocence but am being blocked by the Government as well as I have been blocked by John Scott Coalter, and my due process was deprived forcing me into taking the guilty plea agreement under false pretenses, being misled by the Federal Public Defender office in Greensboro, North Carolina. I have Autism Spectrum Disorder (ASD), Obsessive Compulsive Disorder (OCD), Generalized Anxiety Disorder (GAD), and I have type 1 brittle diabetes (diabetes mellitus). I do not recognize the wrongful diagnosis of “delusional disorder” by Dr. Keith Hersh (See Document #23), since Placke had presented no evidence to prove any of my claims to Dr. Keith Hersh during my psychosexual evaluation in 2014, and I was not given an opportunity to review over my entire discovery evidence (that was acquired by Eric David Placke) prior to my false guilty plea on June 10, 2014. I had finally been able to review over the entire discovery evidence material on January 22, 2015 at John Scott Coalter’s (“Mr. Coalter” or “Mr. Coalter’s”) office. However on that same day (Jan. 22, 2015) I and my family had no tools available at Mr. Coalter’s office to play the confession audio CD with my family. Till this day my family had still not been able to review over the confession audio and neither were we given an opportunity to inspect the audio on an audio editing program like Audacity or any other sound editor to determine if the audio was altered to cover up what happened during the interrogation of myself on August 29, 2012.

3. All evidence in both Exhibits are filed with redaction in this NON-SEALED VERSION. Redaction will be necessary for any Exhibits of this NON-SEALED VERSION of *“FOURTH ADDITIONAL EVIDENCE DECLARATION IN SUPPORT OF DOCUMENT #128, #128-1, AND 128-2 “BRIEF / MEMORANDUM IN SUPPORT OF*

BRIAN DAVID HILL'S "MOTION UNDER 28 USC § 2255 TO VACATE, SET ASIDE, OR CORRECT SENTENCE BY A PERSON IN FEDERAL CUSTODY" (DOCUMENT #125) (NON-SEALED VERSION)" as the NON-SEALED VERSION filed for the public record of virtually the same evidence Exhibits as the SEALED VERSION except the publicly filed version will contain the appropriate redaction of home addresses and private home phone numbers except for the area code and/or only show the name of the city/town and state (if available). The signatures will also contain either a full redaction or partial redaction to prevent misuse of each petition signer's handwritten signatures, thus protecting the Nullify-NDAA petition signers from any kind of legal signature harvesting which could be used in some kind of fraud or inappropriate usage of signatures in legal documents. Defendant wants to protect the petition signers as much as he can for this case while still proving the evidence in this case. In this NON-SEALED version, Brian David Hill has redacted the home addresses in compliance with Rule 5.2 of the Federal Rules of Civil Procedure and Rule 49.1 of the Federal Rules of Criminal Procedure in regards to the "REDACTION REQUIREMENTS" for anything filed in a Federal Court. If the filer of this document did not fully redact the required redacted information, then it wasn't intentional and the filer of this Declaration agrees to fix the issues that the Court finds and requests with the Defendant Brian David Hill of this case.

- 4. (REDACTED) Attached hereto as Exhibit 1, is a true and correct copy of the 17-page "Petition to Rockingham County & towns/cities residing within the county, and the North Carolina State Government to nullify the unconstitutional and unlawful provisions within the National Defense Authorization Act for fiscal year of 2012 (NDAA P-LAW 112-81)" and "Nullify NDAA Petition - USWGO Official Petition - Petition #001 - Maximum signatures: 100-200 before delivery to the recipient parties". It is known as the Nullify-NDAA Petition ("Nullify-NDAA Petition") that Defendant Brian David Hill ("Brian D. Hill") had collected signatures of people within all over Rockingham County in April to May, 2012, months prior to being accused of the crime of possession of child pornography by the Mayodan Police Department. This is the non-sealed version with redaction of what was also filed under the SEALED version which means that all important evidential information in the SEALED version is**

contained such as full names, addresses and/or phone numbers (if available) from each petition signer in agreement with the need to nullify the pro-torture and pro-abduction statute for any American citizen accused of the federal crime of "terrorism". The NON-SEALED version contains the important evidence while in compliance with the redaction rules. The petition is a total of 17 pages. Document identified as "USWGO DOC#0010". It is a "PETITION FOR THE TOWN/CITY, COUNTY, AND STATE GOVERNMENT", "USWGO.COM OFFICIAL DOCUMENT". PRINTED APRIL 9TH 2012. Signatures added at later dates than the date when the petition was originally printed.

5. (REDACTED) Attached hereto as Exhibit 2, is a true and correct copy of the 8-page EXTENSION to the "Petition to Rockingham County & towns/cities residing within the county, and the North Carolina State Government to nullify the unconstitutional and unlawful provisions within the National Defense Authorization Act for fiscal year of 2012 (NDAA P-LAW 112-81)" and "Nullify NDAA Petition Extension - USWGO Official Petition - Petition #001a- Maximum signatures: 100 with no minimum number of signatures before delivery to the recipient parties - In the event Petition #001 reaches 200 this extension will be used for an expansion of signatures" It is known as the EXTENSION with more signatures for the Nullify-NDAA Petition ("Nullify-NDAA Petition") that Defendant Brian David Hill ("Brian D. Hill") had collected signatures of people within all over Rockingham County in April to May, 2012, months prior to being accused of the crime of possession of child pornography by the Mayodan Police Department. This is the sealed version meaning that all information such as full names, addresses and/or phone numbers (if available) from each petition signer in agreement with the need to nullify the pro-torture and pro-abduction statute for any American citizen accused of the federal crime of "terrorism". The petition is a total of 8 pages. Document identified as "USWGO DOC#0010a". PRINTED APRIL 20TH 2012. Signatures added at later dates than the date when the petition was originally printed.

I have filed this Nullify-NDAA petition in its entirety with the appropriate redactions for this NON-SEALED version thus is compliant to the REDACTION REQUIREMENTS since this version will be available to the general public on CM/ECF or by request with the

Clerk. The version for the general public is filed with the Clerk so that the evidence will also be available to the general public but the sensitive information will be redacted in compliance with Rule 5.2 of the Federal Rules of Civil Procedure and Rule 49.1 of the Federal Rules of Criminal Procedure in regards to the "REDACTION REQUIREMENTS" for anything filed in a Federal Court. This provides yet another fact of actual innocence for the defense of Brian David Hill. Here is how this Nullify-NDAA Petition further proves the actual innocence of Brian David Hill. (1) My former neighbors of my old address 413 N. Second Avenue of Mayodan, North Carolina, are witnesses to my Petition, my neighbors did indeed sign my Nullify-NDAA petition prior to be filing a copy with N.C. Senator Philip Edward Berger Senior at the Mayodan Town Council on May 14, 2012, and copies to other parties as well.

I had sent emails with a scanned copy of the petitioners signed Nullify-NDAA petition with over 200 signatures from admin@uswgo.com to the following in 2012: "NC Representative Bryan Holloway staffers at the email address of Bryan.Holloway@ncleg.net; NC Representative Bert Jones staffers at the email address of Bert.Jones@ncleg.net; Senator Phil Berger staffers at the email address of Phil.Berger@ncleg.net; Pamela M. McLain, the Clerk to the Board of Commissioners of Rockingham County North Carolina at the email address of pmclain@co.rockingham.nc.us; Sheralene S. Thompson - City Clerk, CMC, Eden NC City Administration at the email address of sthompson@edennc.us; City Clerk Angela G. Stadler, CMC, Reidsville NC City Administration at the email address of astadler@ci.reidsville.nc.us."

This proves to the Habeas Court that I was involved in political activities and operations against CIA sanctioned torture and that I was against rendition/abduction of anybody that may be accused of terrorism in the future which can include American citizens. The neighbors that had signed my petition back at Mayodan may have also been a witness to the police raid that had happened on August 28, 2012, and had suspicions about the fact that they took part in signing a petition against abduction and torture of any American citizen then I am raided by Mayodan Police months later in 2012. So any of the petition signers may be a good witness to my actual innocence defense since they all knew

that I worked blood, sweat, and tears to gather over 200 physical petition signatures to fight against torture only to being accused of being into possessing child pornography which is mental/physical torture, sexual abuse and exploitation of children/minors. My petition shows that the Government painted a false character of me, a straw man character of myself, to ruin my image and make me look guilty. That was to destroy the reputation and character of USWGO Alternative News by demonizing its founder Brian David Hill which is myself. They didn't even want my petition to be a fact in my criminal case. Eric David Placke didn't even want my Nullify-NDAA petition to be a fact of my non-guilt in my criminal case. It does show that I didn't rely on some online petition website back in 2012 to really fight against abduction and torture of American citizens which may include children upon any allegation of terrorism whether it be false or true. I felt that physical signatures had more value and weight for a political petition than some online petition where anybody can sign a petition over and over again with false identifies or different IP Addresses.

So Defendant in this case which is myself, Brian David Hill, submit the Nullify-NDAA Petition and EXTENSION of petition as proof of political work against any CIA sanctioned abductions/rendition and torture of American citizens, which is the opposite of the straw-man character assassination that was done by the United States Attorney office back in 2013, and by the Mayodan Police in July-August 2012. The one that conducted that petition which is myself is the true character of myself. The Government painted a false character of what I stand for and who I really am. They never truly researched into who I am and the Government never researched any of my claims or they just didn't care about any of it. All they wanted was my guilty plea, and wanted me to accept guilt for the crime that I was framed on.

I declare under penalty of perjury that the foregoing is true and correct.

Nullify NDAA Petition – USWGO Official Petition – Petition #001 – Maximum signatures: 100-200 before delivery to the recipient parties

Petition to Rockingham County & towns/cities residing within the county, and the North Carolina State Government to nullify the unconstitutional and unlawful provisions within the National Defense Authorization Act for fiscal year of 2012 (NDAA P-LAW 112-81)

I Brian D. Hill the petition creator and the petition signers declare and exercise our rights under the 1st Amendment in the Bill of Rights under the U.S. Constitution and the NC Constitution Art.1 Sec. 12 by providing a petition to the parties Rockingham County, Mayodan, Madison, Reidsville, Wentworth, Eden, Stoneville, and the North Carolina State government.

<p>Petition summary and background</p>	<p>The purpose of this petition is to get the congress and the senator that represents Rockingham County for the district of North Carolina, the Rockingham County Commissioners and its towns/cities to create a legal blockade against the Unconstitutional and unlawful NDAA also known as the National Defense Authorization Act for the fiscal year of 2012(NDAA P-LAW 112-81). The NDAA allows the Federal Government to torture, kill/assassinate, rendition, rape, molest, kidnap, abduct, deny right to legal counsel, deny right to judicial due process, false arrest, and even false imprisonment of any person including men, women, and children. The NDAA applies to not just illegal immigrants and tourists which are suspected of terrorism whether it be true or false, but that it also applies to American citizens because of the fact that the Obama Administration asked the senate to remove the language which exempts American citizens and lawful residents from the NDAA and a senator even stated that he wants people to be terrified about what's going to happen to them in American custody. Another arrogant senator, Lindsay Graham, even said that "And when they say, 'I want my lawyer,' you tell them, 'Shut up. You don't get a lawyer.' You're an enemy Combatant!" We want people to sign this petition as a way to shield our peaceful community, our county, and our state from any harmful or terrible things the Federal Government can do to any of us in violation of law, Constitution of both state and national, and even the Geneva Conventions treaty. As long as the state or lower level governments block the NDAA, we are safe and will be guaranteed a right to a court trial, a right to humane treatment in prisons, a right to legal counsel such as lawyers/attorneys to represent us whether fee based or Pro Bono or public defenders, and a right to remain safe in our persons, houses, papers and effects against unreasonable search and seizure. That no warrants shall issue but upon probable cause which includes a Oath or affirmation describing the place to be searched and the persons or things to be seized.</p>
<p>Grievances</p>	<p>The President of the U.S. Passed a peacetime martial law executive order and the NDAA that makes me and the undersigned feel afraid to speak out against the actions of our Government, makes reporters/journalists afraid to write news reports that are critical of Government and true, and we fear that the NDAA will be used specifically against us for our peaceful and Constitutional actions instead of actual terrorists. We fear we will be secretly kidnapped, tortured, and killed for our actions in any political matters. We also fear we will not have a right to a court trial and legal counsel. We</p>
